

What is a School - Parent Compact?

A School - Parent Compact is an agreement that clarifies what parents, students, and the school can do to make sure students reach high academic standards. It explains how parents, students, and the school will work together to share in the responsibility so that students can learn what is required of them.

School's Mission, Vision & Beliefs

Mission Statement

The mission of Salem Middle International Baccalaureate World School is to foster a positive learning environment that will effectively prepare all students to become life-long learners in a global society.

Vision Statement

The vision of Salem Middle School is to create a high performing culture that motivates, educates, and inspires staff and students to Achieve Excellence in Everything.

Beliefs

1. All children have the potential to be successful
2. All children have the right and ability to learn in a safe learning environment
3. All children develop at individual paces and possess the ability to learn at their own pace
4. All children are successful when students, staff, and parents work together collaboratively
5. All children should be respected, challenged, and nurtured to achieve excellence in everything.

District Goals

Prioritize student academic achievement and career readiness; invest in parent, adult guardian and mentor involvement.

- Research and document the importance of parent, adult guardian and mentor involvement and its correlation with student academic achievement and career readiness.
- Identify, document, and model innovative best practices that support and enhance academic achievement and career readiness
- Expand gifted and advanced placement offerings and opportunities.
- Review the instructional program, practices, curriculum, and support materials for improving student achievement and career readiness with a specific focus on English to Speakers of Other Languages (ESOL) and special education students.
- Construct “multiple pathways” to success for DCSD graduates who choose not to attend two or four year liberal arts institutions.
- Evaluate academic achievement and career readiness data from under-performing schools, conduct a holistic root-cause analysis and develop a corrective action plan.
- Strengthen, repair, and establish DCSD partnerships with state and federal education and training agencies, business organizations, human service agencies, and nonprofit organizations.
